

CAPABILITY STATEMENT

Cole Motorsports is located in the rugged Mountains of Southern West Virginia. We are your #1 source for military peel-ply tear offs, and the first company to design and manufacture tear offs operating in theatre for the US Armed forces and are the best and most knowledgeable. Our in-house design department equipped with the latest in Laser cutting technology can give your company a hassle free, ready to install, product for any military/ballistic glass application. Laminated-Tearoff™ protective lens for windshields and critical applications is a four-layer, removable, optically clear polyester lens stack. It is designed to protect the exterior of vehicle windows from scratching, pitting, cracking, and vision reducing debris. A soiled lens can be removed easily, revealing a new lens surface.

CORE COMPETENCIES

- **Military Peel-ply Tear Offs**
- **Peel-ply Laminates for Ballistic Glass**

ADVANTAGES

We have sold hundreds of thousands of peel-ply laminates for ballistic glass to various military organizations.

Product Advantages:

- ✓ 4 Layers of 4mil Mylar pre-laminated for easy install and easy removal as required.
- ✓ Precision cut to fit any vehicle or window.
- ✓ Rock Strike and abrasion resistant
- ✓ Ability to instantly have a clear non-pitted window. (Especially important in a low horizon environment)
- ✓ No issues with visibility when used with night-vision goggles.
- ✓ The clearest available window laminate available with highest available light transmission (88% light transmission with a 4 layer product)
- ✓ Pre-tabbed for easy removal of each layer as required
- ✓ Best technical support in the industry
